VMware IT Academy

Impulsa tu futuro con el líder en tecnologías de virtualización

¿Qué es PUE Academy?

Acercamos la formación y certificación tecnológica al ámbito educativo con acciones formativas al profesorado, a las instituciones académicas y a sus alumnos a través de la gestión e implementación de las iniciativas académicas de las principales organizaciones y multinacionales del sector TIC.

La **capacitación de la docencia**, así como la **empleabilidad** y **reconocimiento profesional** de los alumnos formados, son nuestros máximos objetivos.

+ 100.000
ESTUDIANTES

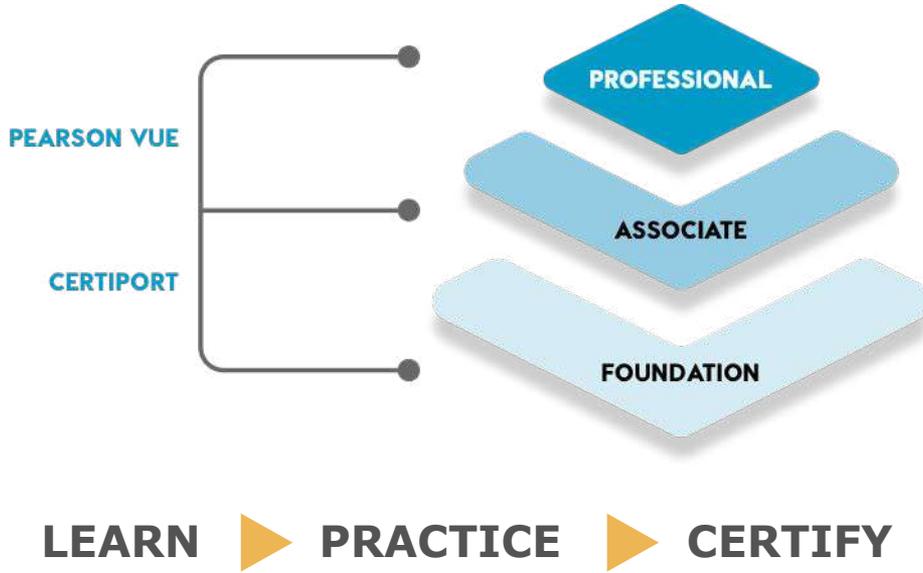

+ 900
DOCENTES
FORMADOS

+ 1.000
CENTROS
ADSCRITOS

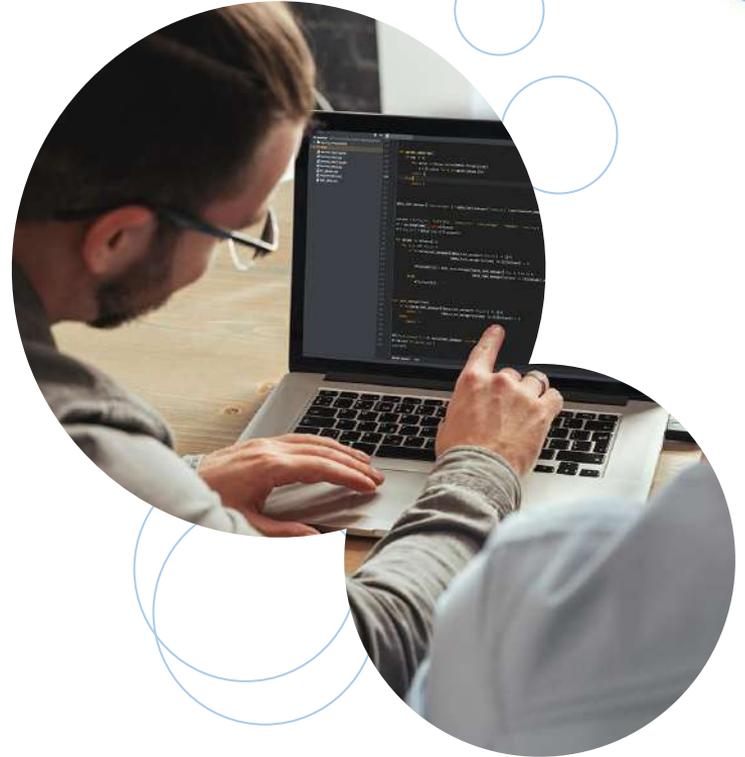

Full-service solutions for the skilling journey

Nuestros servicios a la comunidad educativa TIC

- **Distribución, gestión e implementación** de las iniciativas académicas de las multinacionales de referencia en el sector tecnológico.
- **Soporte, apoyo y asesoramiento** en su despliegue.
- **Formación** oficial para docentes, staff técnico y estudiantes.
- **Acceso a recursos** docentes y material de estudio oficial.
- Servicios para facilitar la **certificación** de docentes y estudiantes: plataforma online PUE Certification Service y Certification Credits.
- Participación de los centros en las **comunidades educativas** de los diversos programas educativos y de certificación.
- **Recursos de marketing** para posicionar al centro en sus figuras oficiales.

El Centro de Datos Virtual es fundamental.

Lluís Altes
Senior **Business Solutions** Strategist

Os presento el “Best of Breed Combinations Nightmare”

VMware Private AI

Democratize generative AI and ignite business innovation for all enterprises.

An architectural approach that balances the business gains from AI with the privacy and compliance needs of the organization.

iGracias!

Vincent Herreman – Senior Program Manager – VMware IT Academy

VMware IT Academy

Impulsa tu futuro con el líder en tecnologías de virtualización

Iniciativa académica VMware IT Academy

Formación oficial y recursos para la implantación y la gestión de tecnologías de virtualización en las instituciones educativas

- **VMware IT Academy** permite a los instructores de las instituciones académicas participantes impartir cursos autorizados de VMware en una variedad de entornos.
- La participación como miembro del programa **VMware IT Academy** habilita a las instituciones:
 - el reconocimiento como centro oficial autorizado **VMware IT Academy**
 - el acceso al **courseware oficial y al software y licencias de software para uso docente**
 - **cupones de descuento** en los exámenes de certificación oficial.

Perfiles curriculares del programa

System Administrator

Enfocado en las habilidades que los administradores de sistemas requieren actualmente en áreas como la nube y la virtualización, las operaciones del centro de datos y la instalación, configuración y administración de VMware vSphere®.

Multi-Cloud Specialist:

Enseñanza de las habilidades necesarias en entornos de múltiples nubes, como habilidades técnicas y de redes, gestión de nubes, automatización y operaciones de redes virtuales.

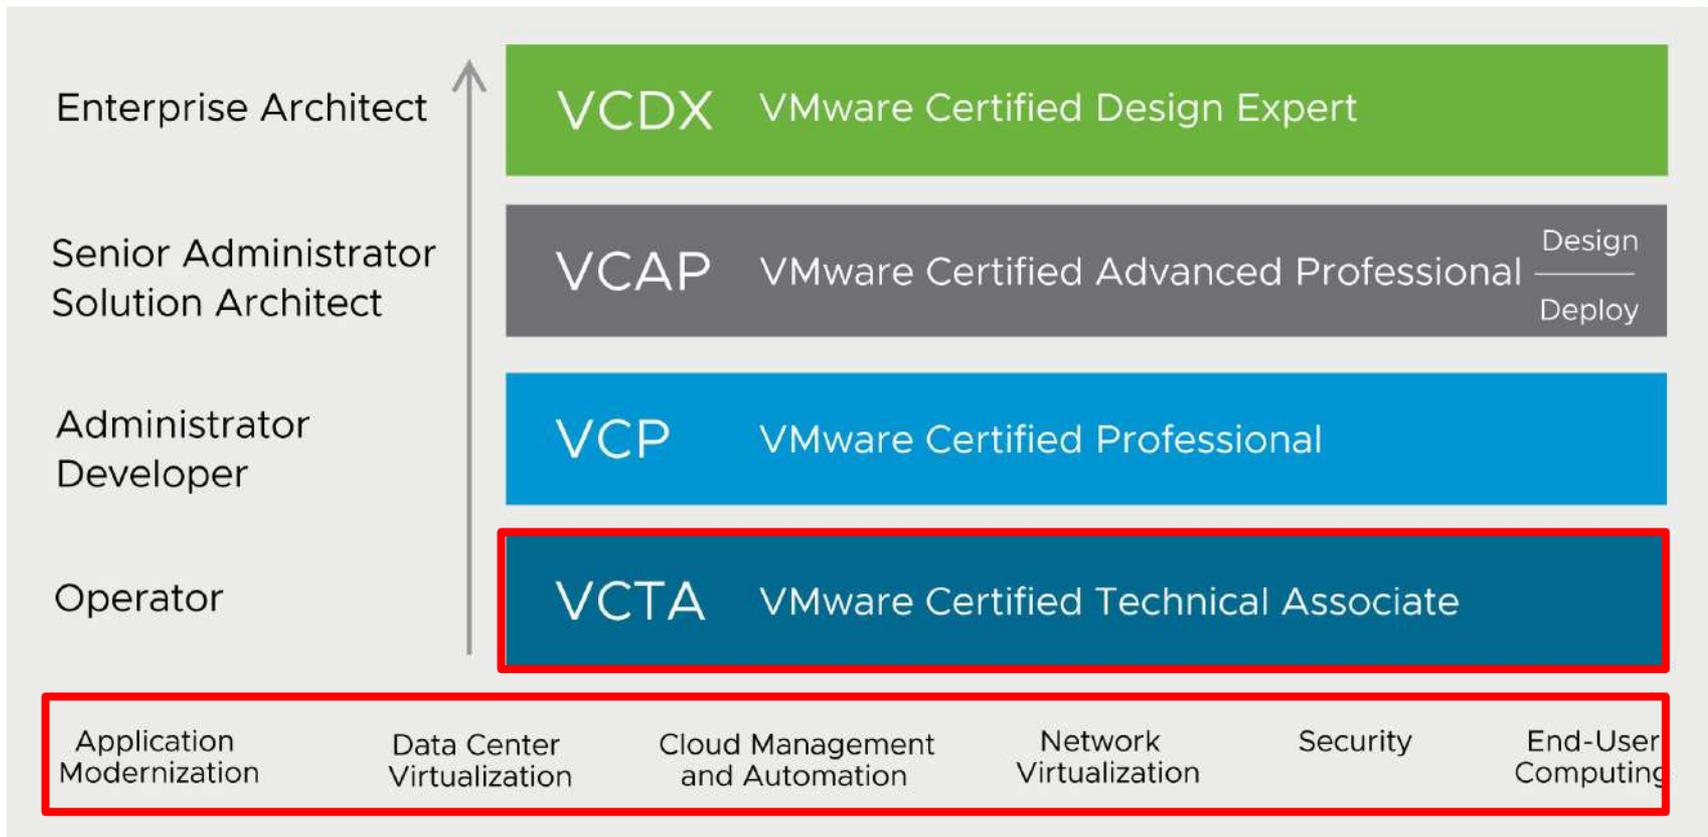

Modern Apps Specialist:

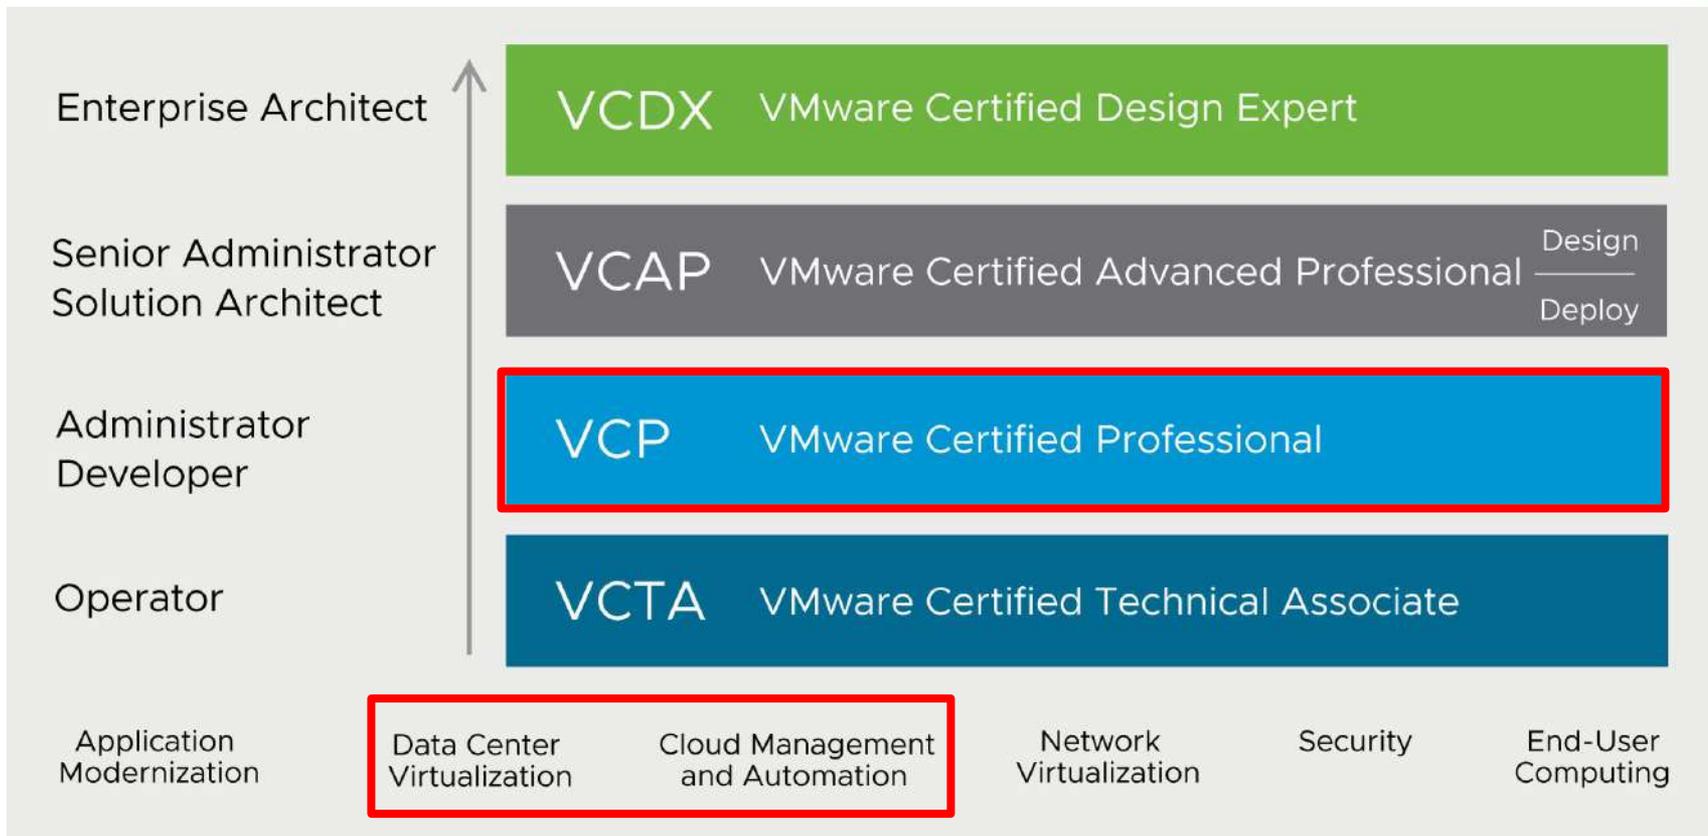

Centrado en la modernización de aplicaciones, cubriendo áreas como la administración de Kubernetes, la creación de contenedores.

Niveles de Certificación – Cursos Disponibles VCTA

Niveles de Certificación – Cursos Disponibles VCP

Credenciales VMware

VMware badges are digital emblems of skills and achievements. Career certifications align to job roles and validate expertise across a solution domain. Certifications can cover multiple products in the same certification.

Specialist certifications and skills badges align to products and verticals and show expanded expertise.

Accelerate Your Career With Digital Skills

We provide academic institutions with authorized VMware courses, curricula and support to educate students and accelerate their careers.

Want to get your Certificate of Completion?

Complete the *Program Satisfaction Survey* and practice by taking the *Final Assessment*.

This will bring you closer to achieving your VCP-DCV certification!

Remember to schedule your certification test at Pearson Vue. The correct code is 2V0-21.23PSE.

50% 3 of 6 topics complete

Program Satisfaction Survey: vSphere ICM 8.x

Survey
We are always improving our program and value your feedback. Please take 2 minutes to provide your feedback by completing this survey.

vSphere ICM 8.x Final Assessment (39 Qs)

Quiz
Take this 39-question long assessment and be one step closer to achieving your VCP-DCV certification.

Extra VCP-DCV Preparation: Official Test (78 Qs Randomized)

Quiz
Starts Sep 25, 2023 6:00 PM
This extra test is composed of only official questions from the Data Center Virtualization learning track.

It consists of 78 randomly selected questions out of 179 available in the question pool. You may take the test as many times as you would like to see all the questions available.
