Acceso a formación y certificación en virtualización a través del programa educativo VMware IT Academy

ERIC FLETCHER

Director | PUE Academy

Soluciones que promueven la formación tecnológica en el aula

Acercamos la formación y certificación tecnológica al ámbito educativo con acciones formativas al profesorado, a las instituciones académicas y a sus alumnos a través de la gestión e implementación de las iniciativas académicas de las principales organizaciones y multinacionales del sector TIC.

La **capacitación de la docencia**, así como la **empleabilidad** y **reconocimiento profesional** de los alumnos formados, son nuestros máximos objetivos.

AMADOR GABALDÓN

Responsable VMware | PUE

Iniciativa académica VMware IT Academy

Formación oficial y recursos para la implantación y la gestión de tecnologías de virtualización en las organizaciones

- **VMware IT Academy** permite a los instructores de las instituciones académicas participantes impartir cursos autorizados de VMware en una variedad de entornos.
- La participación como miembro del programa **VMware IT Academy** habilita a las instituciones:
 - ❑ el reconocimiento como centro oficial autorizado **VMware IT Academy**
 - ❑ el acceso al courseware oficial, al software y licencias, y a cupones de descuento en los exámenes de certificación oficial.

Perfiles curriculares del programa

System Administrator

Enfocado en las habilidades que los administradores de sistemas requieren actualmente en áreas como la nube y la virtualización, las operaciones del centro de datos y la instalación, configuración y administración de VMware vSphere®.

Multi-Cloud Specialist:

Enseñanza de las habilidades necesarias en entornos de múltiples nubes, como habilidades técnicas y de redes, gestión de nubes, automatización y operaciones de redes virtuales.

Modern Apps Specialist:

Centrado en la modernización de aplicaciones, cubriendo áreas como la administración de Kubernetes, la creación de contenedores y el uso de Java Spring y Spring Boot.

Como centro VMware IT Academy se accede a:

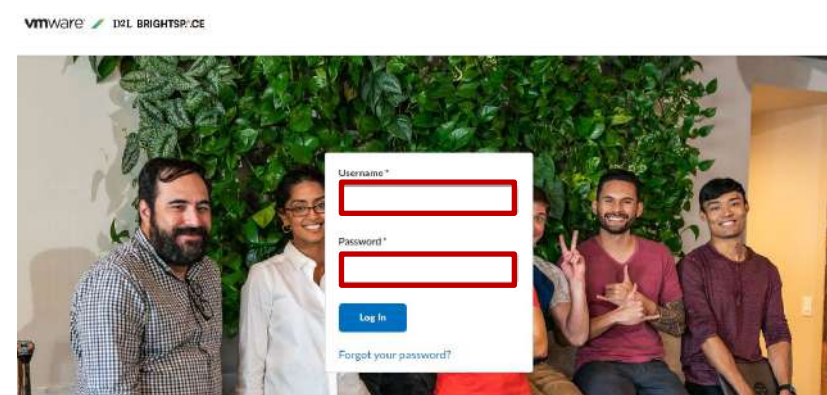

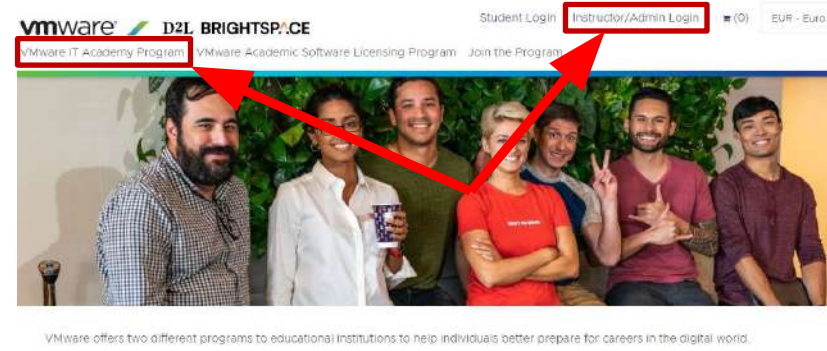

Área de gestión de los recursos del programa:

- <https://itacademy.vmware.com>

El acceso a los recursos didácticos del programa se basa en un modelo de adquisición de packs de suscripciones, elegible en función del número de estudiantes del centro, con validez anual.

Área de Impartición y contenidos (D2L/Brightspace)

- <https://itacademy.brightspace.com/d2l>

Gestión del perfil de la cuenta

#PUEAcademyTalk

The screenshot displays the VMware IT Academy user interface. At the top left, the user's name 'D2L BRIGHTSP. CE' is shown next to the VMware logo. A red box highlights this area. To the right, there are icons for a grid, chat, and notifications. A red arrow points from the text 'Gestión del perfil de la cuenta' to a dropdown menu for the user 'VP VMware PUE'. This menu includes options for 'Profile', 'Notifications', 'Account Settings', and 'Log Out'. Below the navigation bar, there are links for 'Program Support', 'Help', 'Foundational Courses', and 'Return to "My Account" Page'. The main content area is titled 'My Courses' and shows a list of pinned courses: 'VMware IT Academy: ORIENTATION COURSE', 'Key Download Catalog: SOFTWARE LICENSING', and 'VMware vSphere: Install, Configure and Manage v7.0 English'. A 'Launch Welcome Guide' button is visible on the right side. At the bottom right, there is a 'Brightspace Support' section with the heading 'Got questions?' and a 'Find Answers Here' button.

The screenshot displays the VMware IT Academy user interface. At the top left, the VMware logo and 'D2L BRIGHTSPACE' are visible. On the right, there are icons for a grid, chat, notifications, and a 'VP VMware PUE' button. A black navigation bar contains 'Program Support', 'Help', 'Foundational Courses', and 'Return to "My Account" Page'. The 'Help' menu is highlighted with a red box and a red arrow pointing to it from the top. A dropdown menu is open, showing 'Brightspace Community', 'Brightspace Help', and 'System Check'. Below the navigation bar, there is a 'My Courses' section with 'All' and 'Pinned' tabs. Three pinned course cards are shown: 'VMware IT Academy: ORIENTATION COURSE', 'Key Download Catalog: SOFTWARE LICENSING', and 'VMware vSphere: Install, Configure and Manage 7'. A 'View All Courses (3)' link is at the bottom left. On the right side, there is a 'Welcome to VMware IT Academy!' section with a 'Launch Welcome Guide' button, and a 'Brightspace Support' section with the heading 'Got questions?' and a 'Find Answers Here' button.

Software Products & License Keys

Software Licensing Main Widget IT Academy

Qualified subscribers of the academic community, students and faculty, can utilize the VMware IT Academy Licensing for education and research purposes only. It cannot be used for production environments.

Use of VMware software for instruction and research is governed by specific program guidelines and the conditions described within the [EULA](#)

**Software can be installed in research labs as well on the personal computers of faculty and students involved in research projects. Use is exclusive only for research and production environments.*

Step 1: Getting your 1-Year License Key
Request the *Software License Key* from the [Software License Catalog](#).

Step 2: Getting your Software Product Download
To get your software download create an account on the [MyVMware Portal](#). In this portal you will be able to download any VMware Solution for Evaluation Purposes.

**If you already have an account just pick the software product that you need from the "Direct Links for Software Download" section.*

Direct Links for Software Download

- [VMware Workstation Pro 16](#)
- [VMware Fusion Pro 12](#)

Below this is a large banner for 'VMware vSphere: Install, Configure, Manage v7.0 English'. The main content area features a 'D2L Visual TOC' section, which is highlighted with a red border. This section contains four cards, each with a 'vmware' logo, a title, and a progress indicator. The cards are: 'Welcome: SysAdmin Learning Path' (0% of 1 Topics Completed), 'Access to Labs, by NDG' (0% of 26 Topics Completed), 'Student Resources' (0% of 4 Topics Completed), and 'Instructor Resources' (0% of 10 Topics Completed). Each card has a double-right arrow icon in the top right corner. To the right of the TOC, there is a 'Welcome to VMware IT Academy!' section with a 'Launch Welcome Guide' button, an 'Announcements' section with a message 'There are no announcements to display.', and a 'Licensing for ICM and O&S' section. A red arrow points from the text 'TOC - Esquema Visual (Accesos Directos)' to the TOC section.

The screenshot shows the VMware vSphere course interface. At the top, there is a navigation bar with 'Course Home', 'Course Tools', 'Course Admin', 'Order Textbook from Gilmore', 'Program Support', and 'Help'. Below this is a large banner with the VMware logo and the course title 'VMware vSphere: Install, Configure, Manage v7.0 English'. The main content area is titled 'D2L Visual TOC' and contains four cards: 'Welcome: SysAdmin Learning Path', 'Access to Labs, by NDG', 'Student Resources', and 'Instructor Resources'. Each card shows a progress bar and completion status. A red box highlights the 'Student Resources' card, and a red arrow points to it from the text 'TOC Tipo Índice'. Another red arrow points from the text 'TOC - Esquema Visual (Accesos Directos)' to the 'Access to Labs, by NDG' card. To the right of the cards, there is a 'Welcome to VMware IT Academy!' section with a 'Launch Welcome Guide' button, an 'Announcements' section with the message 'There are no announcements to display.', and a 'Licensing for ICM and O&S' section.

The screenshot displays the VMware vSphere course interface. At the top, the course title "VMware vSphere: Install, Configure, Manage v7..." is visible. Below the title is a navigation bar with links for "Course Home", "Course Tools", "Course Admin", "Order Textbook from Gilmore", "Program Support", and "Help". On the left side, there is a sidebar menu with sections for "Welcome: SysAdmin Learning Path", "Access to Labs, by NDG", "Student Resources", and "Instructor Resources". The "Instructor Resources" section is highlighted with a red box, and a red arrow points from it to the "Instructor Resources" section at the bottom of the page. The main content area shows a slide titled "VMware vSphere 7.0: Install, Configure, Manage" with the VMware logo. At the bottom of the page, there are two progress indicators: "Student Resources" (0% of 4 Topics Completed) and "Instructor Resources" (0% of 10 Topics Completed). A red box highlights the "Instructor Resources" progress indicator, and a red arrow points from the text "Acceso a Recursos de Instructor" to it.

Become a SysAdmin!

Are you interested on how companies leverage public, private and hybrid cloud deployments to meet employee and user demands? Would you like to know where the virtual resources that virtual machines use come from? Then you should definitely focus on the SysAdmin Learning Path!

This path is comprised of several optional courses, a couple of mandatory courses and two awesome certifications: VCTA-DCV and VCP-DCVI

Please watch this video for a broader overview of the SysAdmin Learning Path, and, remember, we are here for you!

Start Here... Go Anywhere... Secure Your Future as a System Administrator

The screenshot shows the VMware IT Academy course management platform. At the top, a navigation bar includes the VMware logo, a user profile for 'DZL BRIGHTSK-02', the course title 'VMware vSphere: Install, Configure, Manage v7...', and utility icons for a grid, chat, notifications, and a VMware PUE logo. Below this is a secondary navigation bar with links for 'Course Home', 'Course Tools', 'Course Admin', 'Order Textbook from Gilmore', 'Program Support', and 'Help'. The main content area features a large VMware logo and the course title 'VMware vSphere: Install, Configure, Manage v7.0 English'. A 'DZL Visual TOC' dropdown menu is visible. The main content is organized into a grid of four learning path cards, each with a VMware logo, a title, a progress bar, and a completion status: 'Welcome: SysAdmin Learning Path' (0% of 1 Topics Completed), 'Access to Labs, by NDG' (0% of 26 Topics Completed), 'Student Resources' (0% of 4 Topics Completed), and 'Instructor Resources' (0% of 10 Topics Completed). On the right side, there are three panels: a 'Welcome to VMware IT Academy!' panel with a 'Launch Welcome Guide' button, an 'Announcements' panel stating 'There are no announcements to display.', and a 'Licensing for ICM and O&S' dropdown menu.

Volvemos a la plataforma de gestión

The screenshot shows the VMware IT Academy management platform interface. A red box highlights the 'Return to "My Account" Page' link in the navigation menu. A red arrow points from the top-left corner of the page to the highlighted link. The interface includes a top navigation bar with 'Course Home', 'Course Admin', 'Order Textbook from Gilmore', 'Program Support', and 'Help'. The main content area displays 'My Courses' with a 'Pinned' filter and three course cards: 'VMware IT Academy: ORIENTATION COURSE', 'Key Download Catalog: SOFTWARE LICENSING', and 'VMware vSphere: Install, Configure, and Manage 7'. A 'Welcome to VMware IT Academy!' message with a 'Launch Welcome Guide' button is also visible. The bottom right corner features a 'Brightspace Support' section with a 'Got questions?' heading and a 'Find Answers Here' button.

Volvemos a la plataforma de gestión

The screenshot illustrates the navigation process on the VMware IT Academy platform. It features three overlapping window views:

- Top Window:** Shows the course page for "VMware vSphere: Install, Configure, Manage v7...". A red box highlights the user profile "vmware D2L BRIGHTSPACE" in the top left, with a red arrow pointing to it.
- Middle Window:** Shows the navigation menu. A red box highlights the "Return to 'My Account' Page" link, with a red arrow pointing to it from the top window.
- Bottom Window:** Shows the "My Account Home" dashboard. A red arrow points to this window from the middle window. The dashboard includes several sections:
 - Manage Subscriptions:** Click below to issue subscriptions to students and instructors. (Manage Subscriptions >)
 - Purchase Subscriptions:** Click below to purchase subscriptions for new users and to replace expiring subscriptions. (Purchase Subscriptions >)
 - My Courses:** Click the button below to go to your courses. (View Courses >)
 - My Order History:** Click the button below to view your order / licenses history and tax forms if applicable. (View History >)
 - My Pearson Vouchers:** Click on the button below to view your Pearson vouchers. (My Vouchers >)
 - Assign Pearson Vouchers:** Click on the button below to allocate Pearson vouchers. (Allocate Vouchers >)
 - View Pearson Vouchers:** Click on the button below to view Pearson voucher allocations. (View Vouchers >)

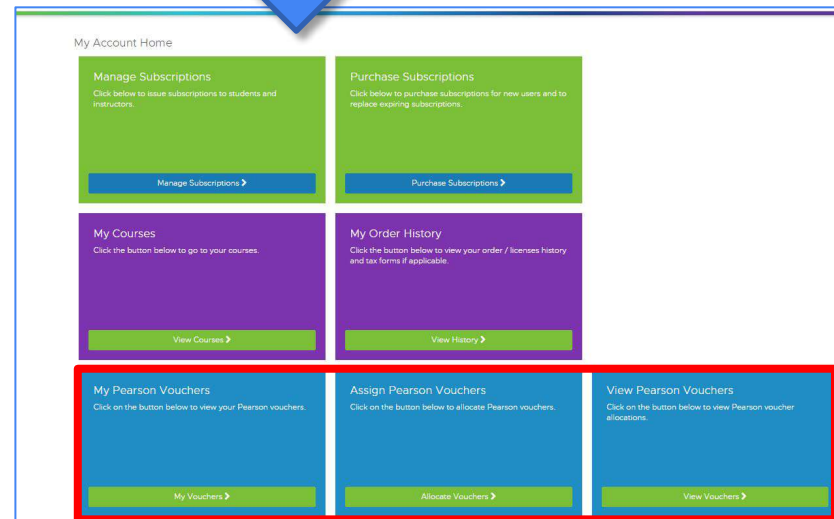

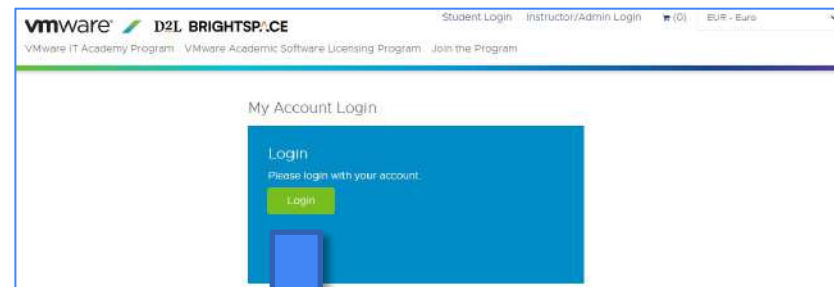

Additional elements on the right side of the dashboard include a "Welcome to VMware IT Academy!" message with a "Launch Welcome Guide" button, and a "Brightspace Support" section with a "Got questions? Find Answers Here" banner.

Storage Overview

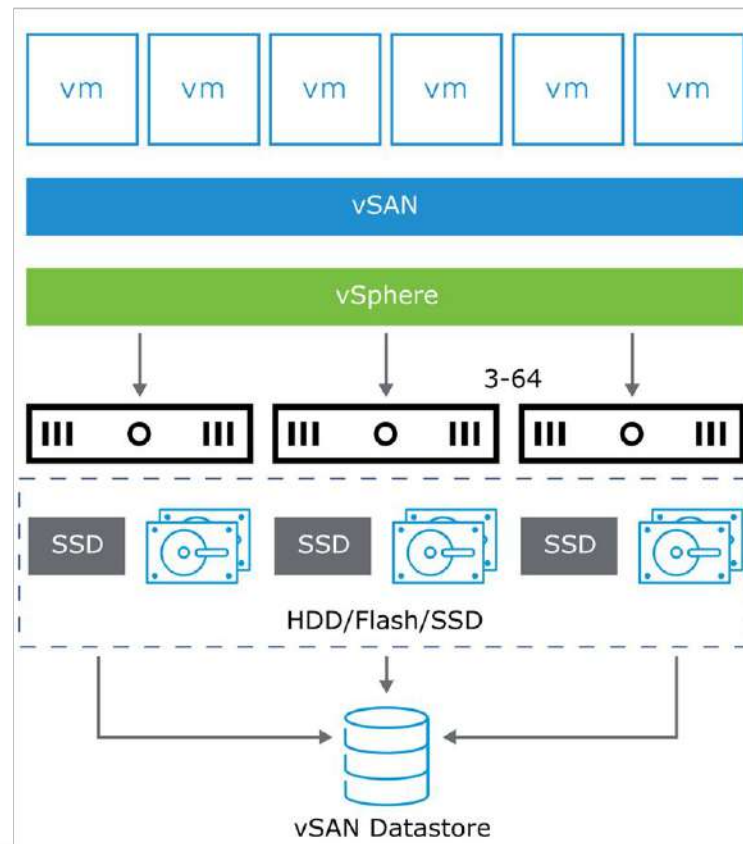

ESXi hosts should be configured with shared access to datastores.

About vSAN

vSAN is hypervisor-converged, software-defined storage for virtual environments that does not use traditional external storage.

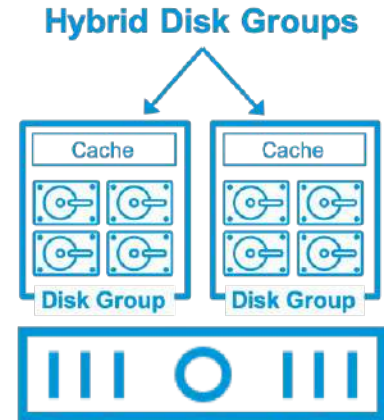

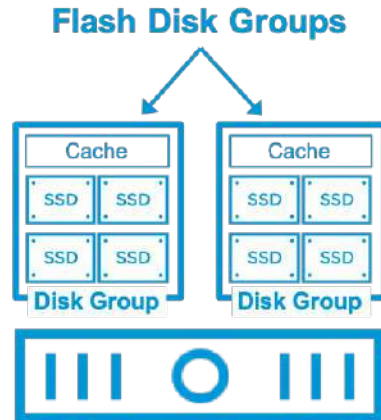

By clustering host-attached hard disk drives (HDDs) or solid-state drives (SSDs), vSAN creates an aggregated datastore shared by VMs.

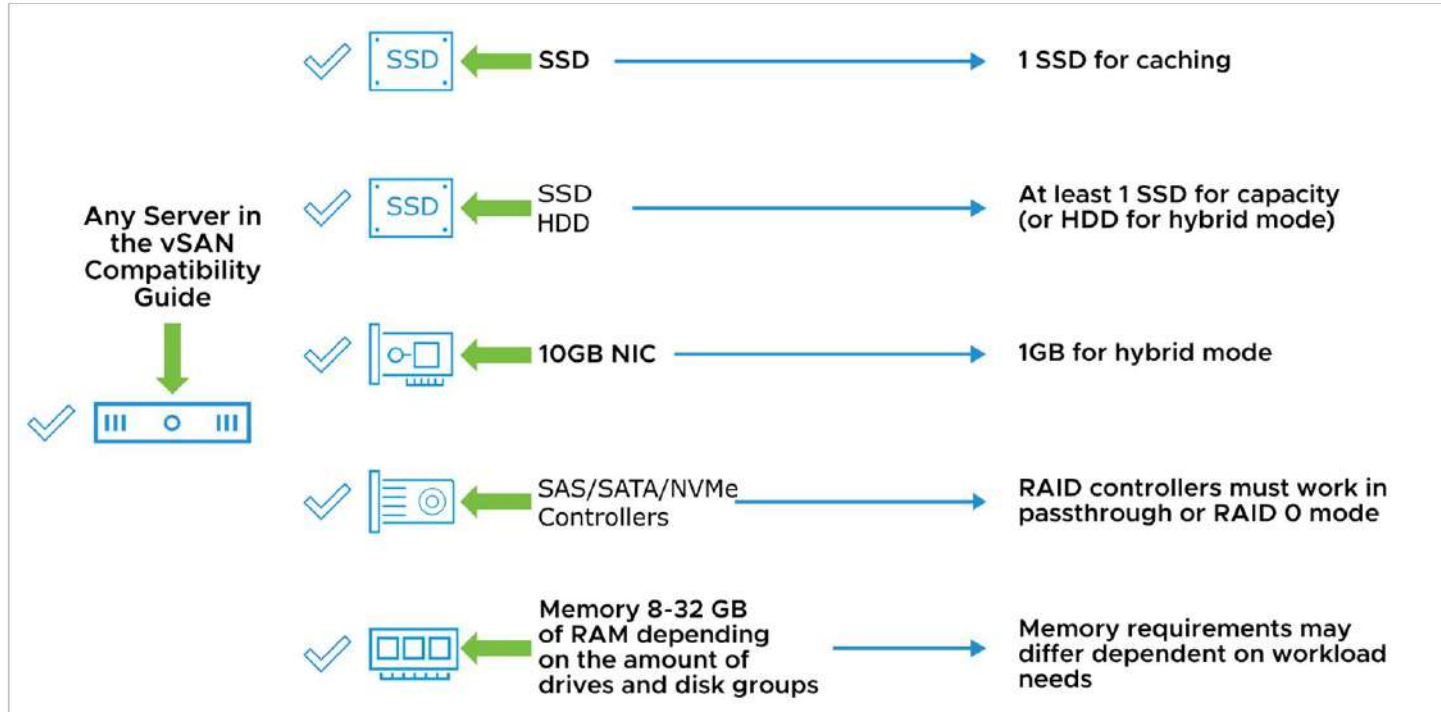

Disk groups are vSAN management constructs on all ESXi hosts in a vSAN cluster. A host can include a maximum of five disk groups.

The disk groups are combined to create a single vSAN datastore. A disk group requires:

- One flash device for caching
- One to seven capacity devices for storage

vSAN capabilities are native to ESXi and require no additional software.

VM Storage Policies

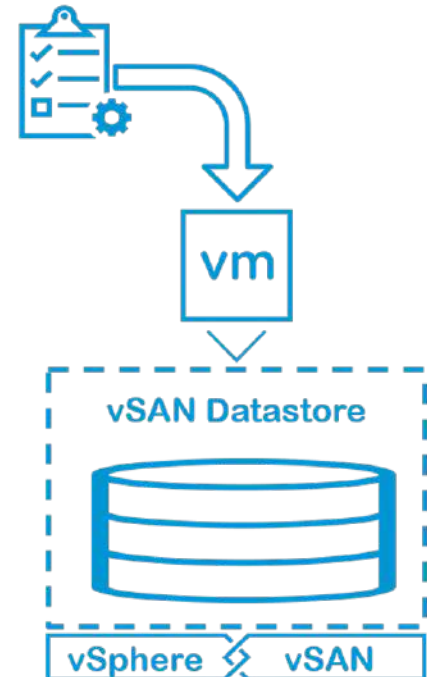

Storage policies define how objects that are included in a VM are stored.

Storage policies have the following characteristics:

- Based on storage capabilities
- Defined for a VM or disk at the time of deployment
- Can be applied later
- Can be changed at any time
- Cannot be deleted if they are in use

VM Storage Policy

- Capacity
- Availability
- Performance

Lab: Using a vSAN Datastore

View a vSAN datastore configuration and a virtual machine's components on the vSAN datastore:

1. View a vSAN Datastore Configuration
2. View the vSAN Default Storage Policy
3. View a Virtual Machine on the vSAN Datastore

¡Muchas gracias!
